## Features of our curriculum

- We have all-rounded and integrated curriculums to help children learn and apply new knowledge, and enhance balanced development of children morally, academically, physically, socially, aesthetically, and spiritually.
- We cultivate children's good attitude and character through the core values of Catholic education (Justice, Truth, Love, Life, Family).
- We use 4Es (Enquiry, Expression, Exploration & Experiment, Experience) to stimulate children's exploration spirit and develop their creativities and potentials.
- We use Shared-Reading Approach to help children recognize & read words and broaden their usage of vocabulary. At the same time, we aim to improve their listening, speaking, reading and writing skills through engaging learning activities and games.
